To whom so ever it may concern

Ms. Anita Kumari Sah a student at Patel Institute of Science & Management who is in the 2nd trimester of PGDM and had to undertake volunteering work at an NGO for 2 weeks. Such an opportunity was given by Cheshire Homes India, Bangalore. The student completed the volunteering work from 22nd February to 8th March, 2023.

During this period, she was asked to help in maintenance of the garden and other work assigned to her.

We observed that Ms. Anita is a committed volunteer with a good and happy nature, hardworking, efficient and diligent.

We wish her all success in her future endeavours in academics and career.

With best wishes,
